IN ASSOCIATION WITH THE HEALTHCARE CAREER ADVANCEMENT PROGRAM (H-CAP)

### ONLINE, NONPROFIT, AND SURPRISINGLY AFFORDABLE

If earning a bachelor's or master's degree is your goal, WGU can help you succeed. WGU is a nonprofit, online university created to make affordable, high-quality education more accessible for working adults. Earn a respected, accredited degree in healthcare, business, or IT on your schedule and for about half what you'd pay at other online universities.

### A BETTER WAY TO LEARN

As a student at WGU, you'll benefit from our competency-based learning model. It allows you to determine how fast you advance through your degree program—you can take assessments and prove mastery of the material as soon as you're ready. If you can dedicate extra time to your studies, or draw on existing knowledge and experience, you can accelerate your time to graduation, saving both time and money.
