Keeping Track

Name ____________________________ Date __________________

My progress to date

Please rate your experience and knowledge of each subject on a scale of 1–4
1 = none   2 = low   3 = moderate   4 = high   N/A = not applicable

1. Understanding the role of a CHW
2. Working with people from different cultures, genders, and abilities
3. Communicating with people of different cultures in ways that make them feel comfortable
4. Working with a team
5. Managing my safety in the community
6. Understanding HIPPA and how it applies to my patients/clients
7. Using the motivational interviewing technique
8. Understanding my scope of practice and my legal and ethical responsibilities
9. Practicing active listening
10. Used networking skills to get things done
11. Advocating for patient/client
12. Sharing information on a health issue with a patient/client

What I want to focus on learning over the next month:
